HOUSING AFFORDABILITY AND 36,000 BY 2025: PLANNING AND DEVELOPMENT

New York Avenue Vision Framework: First step to develop a multi-year strategy to guide
redevelopment for the area. New York Avenue represents one of the District's largest opportunities to
produce new affordable housing for residents, as well as to spur job creation.

Ward 3 Planning Analyses: The District is the first locality to establish housing production goals by neighborhood. In partnership with local Ward 3 communities, these planning analyses will identify the best ways to use additional density provided by the recently approved Comprehensive Plan ^{*} Friendship Heights, Tenleytown and Cleveland Park and Woodley Park.

Capital Projects: DMPED's real estate development portfolio will deliver new affordable ho and needed amenities to neighborhood residents to increase equitable access to resources opportunities. Significant projects include:

EQUITY IN FOOD ACCESS

Investment	Impact	Funding	Agency
Food Access Fund: This new food-focused program of the Neighborhood Prosperity Fund will	162,000+	\$58M	DMPED
provide capital investment to accelerate small, medium, and large grocery stores in Wards 7 and 8	Residents reached by	FY21-22	OP

The recently launched **Nourish DC Fund** will expand the local food ecosystem to support small fresh food retailers and other providers through grants, loans, and technical assistance

3

Only 3 out of 79 of the full-service grocery stores in DC are located in Wards 7 and 8

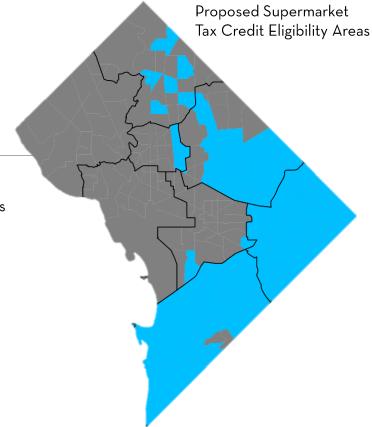

65%

Share of Wards 5, 7, & 8 that have low food access paired with low transit access (162k residents)

Focusing the Supermarket Tax Credit on Areas with Greatest Need

The Budget Support Act includes changes to the Supermarket Tax Credit that will focus eligibility to areas most in need of grocery stores, expand support to more fresh food retailers, and add community engagement requirements for grocers. Areas will be eligible if they meet any of the following requirements:

- 1. Low income and low food access (33% of residents live >0.5 miles from a full-service grocer)
- 2. 20% or more of residents participate in SNAP (Supplemental Nutrition Assistance Program) or other public benefits
- **3.** Qualified Opportunity Zones -low-income census tracts designated by the District in 2018 as key areas of the city needing economic investment.

increased food access

RESTORING DOWNTOWN VIBRANCY AND JOB GROWTH

reviewers and inspectors, and plan for overhaul of licensing and permitting system.
